Fired Up - Skroman početak

Fired Up počinje kao želja jedne devojke da pokloni prijatelju jedinstveni praznični poklon. Posle danonočnog istraživanja, mukotrpнog rada i pregrši grešaka i odbačenih pokušaja, nastala je prva Fired Up sveća. Nakon toga, sve više ljudi je pokazalo zanimanje za ovaj mali projekat i ostalo je istorija...

Fired Up - Sada

Danas Fired Up proizvodi desetine proizvoda svake nedelje i radimo na tome da se proširimo. Svaki proizvod je ručne izrade, sa prirodnim sastojcima, pravljen sa istom količinom ljubavi kao i prvi put. Naše sveće dolaze u 7 različitih mirisa, ali ono što im je zajednočko je da svaka pruža zagarantovanih 28+ sati toplote.
